I Want A Warrior!Von Ingrid Stephanie JordanTitle: Warrior Wolves of Angels Rest Book FourAuthor : Elsa JadeReviewed by: Stephanie JordanAnother great book from this series, asMs. Jade get you involved with the community of Angels Rest, a majority of the towns people haven't a clue that there are Werewolves there in there peaceful little town. In Book 3 "Rogue" we read aboutRafe Villalobos and Darling Rowen being mates.Elizabeth Rowen who went by Aunt

Betsy and Bets made her living as a physic. She was very good physic, fake but good. Darling's Aunt Betsy gave up everything to raise her after her mother left her and her father who was Betsy's brother just would drink and drive. Now that Dare was grown up and basically had another life Betsy was lonely. Until she met Thunder Cole a very tall very handsome man. Not only that but he made her feel things she hasn't in a long time. He made her live. But like most men at Angels Rest Thunder had a secret, he didn't think Bets would stay with him when she found out. I was gifted this ARC for an honest and truthful review.
