**Von Conn Iggulden : Wars of the Roses: Bloodline: Book 3** before purchasing it in order to gage whether or not it would be worth my time, and all praised Wars of the Roses: Bloodline: Book 3:

ProduktbeschreibungThe third beautifully written novel in the War of the Roses series by bestselling author Conn Iggulden.'Superbly plotted and paced' The Times\*\*\*- Winter 1461 -Richard Duke of York is dead, his ambitions in

ruins, his head spiked on the walls of the city. King Henry VI is still held prisoner. His Lancastrian Queen rides south with an army of victorious northerners, accompanied by painted warriors from the Scottish Highlands. With the death of York, Margaret and her army seem unstoppable. Yet in killing the father, Margaret has unleashed the sons. Edward of March, now Duke of York, proclaims himself England's rightful king. Factions form and tear apart as snow falls. Through blood and treason, through broken men and vengeful women, brother shall confront brother, king shall face king. Two men can always claim a crown. Only one can keep it. Praise for the Wars of the Roses series: 'Pacey and juicy, and packed with action' Sunday Times 'Energetic, competent stuff; Iggulden knows his material and his audience' Independent 'A novel that seamlessly combines narrative, historical credence and great knowledge of the period' Daily Express 'A page-turning thriller' Mail on Sunday
