Von Conn Iggulden : Wars of the Roses: Trinity: Book 2 (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wars of the Roses: Trinity: Book 2 (English Edition):

Trinity blazes with intrigue and visceral bloody action!Von customerThe perfect companion to this excellent series is the ROMA VICTRIX WINE BEAKER Roma Victrix Wein BecherTrinity the second in Conn Iggulden's Wars of the Roses series blazes with intrigue and visceral bloody action. The narrative is laced with historical facts which add

intellectual spice to a blockbuster novel. Having read and thoroughly enjoyed Stormbird I was prepared for a good read, but Trinity is superior by far, the characters are now thoroughly fleshed out and the geopolitical situation much clearer. Combine all this with a very compelling fast paced prose, Iggulden's innate sense for the period, dry humour and you have the ultimate page turner, so much so I finished the book in three days, I just could not put it down. I cannot praise this work too highly, Conn Iggulden, to my mind, has truly become a master story teller and ranks up there with the first rank historical novelists, such as Cornwell, and Pressfield. I am looking forward in anticipation to the next sequel.

KurzbeschreibungThe brilliant retelling of the Wars of the Roses continues with Trinity, the second gripping novel in the new series from historical fiction master, Conn Iggulden. 1454: King Henry VI has remained all but exiled in Windsor Castle, struck down by his illness for over a year, his eyes vacant, his mind a blank. His fiercely loyal wife and Queen, Margaret of Anjou, safeguards her husband's interests, hoping that her son Edward will one day know the love of his father. Richard Duke of York, Protector of the Realm, extends his influence throughout the kingdom with each month that Henry slumbers. The Earls of Salisbury and Warwick make up a formidable trinity with Richard, and together they seek to break the support of those who would raise their colours in the name of Henry and his Queen. But when the King unexpectedly recovers his senses and returns to London to reclaim his throne, the balance of power is once again thrown into turmoil. The clash of the Houses of Lancaster and York will surely mean a war to tear England apart . . . Following on from Stormbird, Trinity is the second epic instalment in master storyteller Conn Iggulden's new Wars of the Roses series. Fans of Game of Thrones and The Tudors will be gripped from the word go.
