heart - but definitely not a wasted book! Von Philologus
The Lonely Hearts Club
Winds of Fortune
well this is a beautiful romance full of witty remarks, a shy and very likeable main character and a lot of action since she meets her girlfriend-to-be an FBI agent on her job ... if you enjoy a well-done romance, witty remarks and of course a happy ending you are well off with this book for a most pleasant read

Kurzbeschreibung
Austy Nunziata has spent two years pining for her married best friend and about the same amount of time berating herself for it. In fact, she's so adept at trying to stamp out her feelings that she could probably write a How-To guide on the subject. One, move 3,000 miles away from your best friend. Two, get a time-consuming job so you don't have time to think about your best friend. Three, hang out with new friends who aren't anywhere as enchanting as your best friend. Four, get involved with a striking woman who is smart, sexy, caring and, most importantly, available, unlike your best friend. Five, hope the new love interest doesn't find out about your pathetic best friend obsession before you have time to replace it with actual life-altering love. Even following her own step-by-step process, Austy may not be able to redirect all of her misguided feelings. Becoming involved with Elise Bridie helps her realize how pointless her pining has been. But when Elise suspects that she harbors feelings for someone else, will their new found love survive the unrequited infatuation of Austy's fantasies?

Synopsis
Fantasies can sometimes mess up the real thing. Austy Nunziata has spent two years pining for her married best friend and about the same amount of time berating herself for it. In fact, she's so adept at trying to stamp out her feelings that she could probably write a How-To guide on the subject. One, move 3,000 miles away from your best friend. Two, get a time-consuming job so you don't have time to think about your best friend. Three, hang out with new friends who aren't anywhere as enchanting as your best friend. Four, get involved with a striking woman who is smart, sexy, caring and, most importantly, available, unlike your best friend. Five, hope the new love interest doesn't find out about your pathetic best friend obsession before you have time to replace it with actual life-altering love. Even following her own step-by-step process, Austy may not be able to redirect all of her misguided feelings. Becoming involved with Elise Bridie helps her realize how pointless her pining has been. But when Elise suspects that she harbors feelings for someone else, will their new found love survive the unrequited infatuation of Austy's fantasies?
