**Von Dean Koontz : Watchers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Watchers:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich.  
Watchers Von Steve The story about a furry tail, kind Delta-force man, a flower hidden away from the world, and three

evils constantly looming over them. I started reading this with low expectations and boy was I wrong. Dean Koontz is a talented author who knows how to make his readers fall in love with his characters, make them suffer, and cheer in victory as the story unfolds. 3 von 3 Kunden fanden die folgende Rezension hilfreich. Reading with breathless excitement Von a\_h\_bau@hotmail.com "Watchers" introduced me into the world of Koontz. It is one of the best stories he wrote. The two dark characters, one a human and the other one created by humans, are both terrifying. As the story develops, you start to feel sorry for one of them. Absolute must for Koontz is to create a balance in the story by adding good characters. Those are a man, a woman and an animal. If you do not like dogs - after reading this story you will. Why? Just read Watchers and dream of possessing Einstein. 2 von 2 Kunden fanden die folgende Rezension hilfreich. I couldn't put it down! Von gilligan76@hotmail.com This is by far the BEST Dean Koontz I have read thus far. If you have never read a Dean Koontz novel, I suggest you pick this one up. I guarantee you will be hooked! There were so many various and wonderful characters. I especially loved Einstein. Koontz couldn't have picked a better dog (a golden retriever) for that character (unless of course it were a Black Lab) and it was wonderfully played out! Even the Outsider, though representing evil incarnate, made me feel pity and a certain amount of sadness for it. The best part of the book is, it makes you wonder if Science really has advanced that far and could possibly succeed in making a dog as smart as man. It is definitely worth your time!

Kurzbeschreibung A superior thriller (Oakland Press) about a man, a dog, and a terrifying threat that could only have come from the imagination of #1 New York Times bestselling author Dean Koontz. On his thirty-sixth birthday, Travis Cornell hikes into the foothills of the Santa Ana Mountains. But his path is soon blocked by a bedraggled Golden Retriever who will let him go no further into the dark woods. That morning, Travis had been desperate to find some happiness in his lonely, seemingly cursed life. What he finds is a dog of alarming intelligence that soon leads him into a relentless storm of mankind's darkest creation... Pressestimmen Praise for Watchers A suspenseful page-turner... Koontz gives us characters we can care about... and enough tension to satisfy any thrill-seeker. The Cincinnati Post A winner. Give this one a straight 10 right across the board. The San Francisco Examiner The suspense holds to the end. The New York Times A glorious hit... a superior thriller that makes the implausible seem all too possible... Koontz weaves a tight plot, full of twists and complications. Oakland Press More Praise for Dean Koontz Dean Koontz is a prose stylist whose lyricism heightens malevolence and tension. [He creates] characters of unusual richness and depth. The Seattle Times Tumbling, hallucinogenic prose.... Serious writers... might do well to examine his technique. The New York Times Book Lyrical writing and compelling characters... Koontz stands alone. Associated Press In every industry there exist artists that are not only unforgettable, but know their craft better than the rest. Dean Koontz... is among these artisans. Suspense Magazine [Koontz] has always had near-Dickensian powers of description, and an ability to yank us from one page to the next that few novelists can match. Los Angeles Times Perhaps more than any other author, Koontz writes fiction perfectly suited to the mood of America... novels that acknowledge the reality and tenacity of evil but also the power of good... [and that] entertain vastly as they uplift. Publishers Weekly Werbetext 'Not just a master of our darkest dreams but also a literary juggler' THE TIMES on Dean Koontz.
