aufgefunden. Ein Ermittlerteam ist dem Täter auf der Spur und setzt alles daran, diesen zu berühren. Doch scheinbar hat es der Mörder plötzlich auf das Team abgesehen - will er Rache oder treibt ein weiterer Killer sein Unwesen? Die Geschichte ist ansprechend und flüssig mit sympathischen Charakteren geschrieben. Allerdings empfand ich die eingeflochtene Liebesromanze doch manchmal etwas zu viel des Guten. Ansonsten ist die Handlung eher ziemlich einfach gestrickt und gänzlich unblutig gehalten, wodurch der Lesespaß aber nicht beeinträchtigt wird.

Kurzbeschreibung People who preyed on those weaker and more defenseless than themselves deserved whatever punishment was thrown at them. That thought drove Dr. Georgia Dennis in every decision she made, personal and professional. A profiler with the Complex Crimes Unit of the FBI, she was tired of being second-guessed by her boss Michael Hellbrook. Once they caught the sociopath responsible for stoning teenaged girls, she was gone from Hellbrook's team faster than the ink could dry on the transfer papers. Georgia and Hellbrook are hot on the trail of a sadistic killer targeting women and girls with brown hair and brown eyes women with a striking resemblance to Georgia. Hellbrook will do anything to protect his team, even the woman he never wanted on it in the first place. By keeping her at his side, he grows closer to her until the flame between them erupts and consumes them both. As they get deeper involved with the case and with each other, they do not realize someone else is watching, someone whose descent into madness threatens everyone around them. Is this watcher their killer, or someone much closer? PAVAD: PREVENTION ANALYSIS OF VIOLENT ACTS DIVISION: PAVAD the Prevention Analysis of Violent Acts Division is a special directorate of the FBI located in St. Louis. PAVAD was formed by Edward Dennis to combat today's modern crimes in a modern nation. PAVAD consists of only the best of the FBI's best, and addresses cases involving everything from kidnapping, money-laundering, extortion, all the way up to RICO violations. The PAVAD directorate has more than a dozen teams ready to mobilize at a moment's notice to every corner of the United States.
