freut sich, einmal aus der Uniform heraus zu kommen, um undercover den Nachtclubbesitzer Dmitri in dessen Club auszuspielen und ist mächtig stolz, auf diese Mission geschickt zu werden. Aber nicht lange. Im Club angekommen, fühlt er sich von seinem Vorgesetzten verarscht, denn er merkt bald, dass er vom Typ her genau Dmitris Beuteschema entspricht. Als Sexobjekt für einen jungen, russischen Mafiaboss will er sich nicht verheizen lassen, also schlägt er Dmitris Einladung zu einem Drink aus. Dumm nur, dass Dmitri einfach zum Anbeißen ist und einen so unwiderstehlichen Charme hat, dass Jamie dahinschmilzt wie Butter in der Sonne. Way Off Plan ist sexy kuschelige Unterhaltungsliteratur mit liebenswerten Charakteren, einem trockenen, augenzwinkernden Humor und einer Menge Erotik. In dem Roman geht es nicht um die tragische Frage, wie ein Polizist daran seelisch zerbricht, sich in einen Kriminellen zu verlieben. Munter wie ein niedlicher Berserker in Hawaiihemd, Shorts und Flip Flops (in seiner Freizeit ist Jamie Surfer und sein Bekleidungsstil ist gelinde gesagt schräg) stapft sich Jamie unbeirrt seinen Weg in Richtung Dmitris großer Liebe und rennt dabei offene Türen bei seinem Schatz ein. Familiäre Interventionen seines aus diversen Polizisten bestehenden irisch-amerikanischen Clans treiben die beiden Männer einander nur noch mehr unter die gemeinsame Kuscheldecke, Schwestern und die beste Freundin sind erst auf Anti und dann hin und weg von Dmitri, dem Kleinkinderdompteur. Der Roman funktioniert als fein austarierte romantische Mafiakomödie mit der homoerotischen Würze, kippt aber nie ins Slapstickhafte ab. Way Off Plan ist der erste Roman aus der Reihe Firsts and Forever und das unbeschwerteste Buch der Reihe, finde ich. In allen (bisher) drei Büchern wird die Liebe auf den ersten Blick, Freundschaft und Familie hoch gehalten, es gibt Running Gags, die wirklich bis zum Ende durchgezogen werden. Frau Land besetzt ihre Bücher mit einem großen Team von Charakteren und sie hat die Figuren sehr gut im Griff. Die Liebesszenen sind erotisch, kuschelig, herzerwärmend, liebenswert und vor allen Dingen werden sie nicht totgequatscht oder künstlich in die Länge gezogen. Die körperliche Liebe darf dem natürlichen Verlauf der Dinge folgen, die Liebenden konzentrieren sich in diesen Situationen aufeinander, haben Spaß aneinander und zweifeln nicht seitenlang, jedenfalls nicht, wenn sie miteinander im Bett sind. Ich liebe das. Frau Land kommt auf den Punkt und zerredet die Erotik nicht wie manch andere Autoren, die mitten in eine Sexszene mal eben eine unpassende Rückblende einbauen. Frau Land baut den Spannungsbogen ihrer Romane nicht immer unbedingt so auf, wie man es klassischerweise gewohnt ist. Es gibt auch nicht für jedes Problem eine Lösung am Ende (vielleicht aber im nächsten Buch wer weiß). Das juckt mich bei ihr überhaupt nicht, sondern Sie nichts daran, Frau Land! Das Englisch ist angenehm zu lesen und auch für Einsteiger gut geeignet, finde ich, weil sich der Humor nicht aus komplizierten Wortspielen ergibt, sondern aus der Situation heraus. 5 Punkte Bisherige Titel der Reihe: Way Off Plan. Jamie Nolan is a 23-year old cop on his first undercover assignment. He has no illusions about his skills and experience, but really, what could go wrong? All he has to do is visit Revolution, a night club owned by suspected Russian mafia member Dmitri Teplov. If he manages to talk to him, the better. Easy success! Jamie knows better than to get involved with the gorgeous nightclub owner. But right from the start, the spark of attraction between the two of them is undeniable. Jamie falls in love so quickly he hardly knows what's happening and Dimitri seems to feel the same way. But can he be trusted? After all the man is a hardened criminal, right? Plus, Dimitri is engaged to someone else and it looks like blood will be spilled if he changes his mind. There is no developing relationship, Dimitri and Jamie seem devoted to each other from the start. They are basically made for each other, both are funny and sweet and never have any doubts about what they want and whom they trust. There is a bit of angst in this book but not overly much. Add to that hot sex and an engaging cast of side characters and you've got yourself a great read. Added bonus: this is a full length novel. This book can be read as a standalone. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Suspended reality wrapped in pink fluff Von Cole After all the glorious reviews I was a bit disappointed once I finished 'Way off Plan'. It was a nice bit of pink fluff, with cute MCs, but that's about it. If you are happy to suspend reality totally, you will enjoy this book. If you are expecting real character development and some kind of serious plot, you shouldn't go ahead reading it. The scope for so much drama was right there: Jamie and Dimitri's different backgrounds, their opposing jobs, the lack of Jamie's sexual experience. So much could have happened - and I was waiting for it throughout the book. Where was that scene in which Jamie sees Dimitri acting ruthlessly or threatening somebody to make him really doubt his feelings? Surely Dimitri didn't have that arsenal of weapons for nothing? Even Charlie's return was all sweet and fluffy and not a real threat to Jamie's and Dimitri's relationship. Which by the way went serious so fast I could hardly blink. Imo, that was completely unrealistic. As was the way Dimitri got out of his proposed marriage and the duties to his 'family'. All in all, it is an okay book, but nothing special.

Kurzbeschreibung***Please note: Way Off Plan is the first book in the best-selling Firsts and Forever series. Originally published in December, 2012, it was re-edited and re-released in August, 2015 with a new cover and an expanded second chapter.***Jamie Nolan is a young cop on his first undercover assignment, sent to investigate Dmitri Teplov, a suspected major player in the Russian mafia. nightclub owner. But right from the start, the spark of attraction between the two of them is undeniable. Everything about Dmitri is just so unexpected. Hes sweet and shy, and has a nerdy side that Jamie finds irresistible. Can this man really be a criminal? No matter if Dmitri is guilty or innocent, Jamies big Irish Catholic family of cops and his police captain are never going to accept this relationship. Dmitris dangerous and manipulative gangster uncle is also none too thrilled that these two are together, and wants Jamie out of the picture. On top of that, Jamies still reeling from a recent breakup, and Dmitri is unavailable anyway. Isnt he? No way should this thing between them be happening. Getting involved with Dmitri Teplov was never part of the plan. But sometimes, the best plan is the one you make up as you go along. Contains explicit language and graphic sex. This book is intended FOR ADULT READERS ONLY. Kurzbeschreibung *** Please note: Way Off Plan is the first book in the best-selling Firsts and Forever series.
