Von Michael Marshall : We Are Here (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised We Are Here (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Lost SoulsVon Die Stimme der KritikZugegeben, der Kritiker ist ein groer Fan von Michael Marshall, aber diesmal hat es aus folgenden Grnden leider nicht fr fnf Sterne gereicht: Zum einen ist der neue Roman, und das kann man drehen wenden wie man will, nun ja, eine Geistergeschichte, und damit nicht unbedingt mein Geschmack. Zum anderen wei

der aufmerksame Leser viel zu schnell wo der Hase im Pfeffer liegt, was die Spannung enorm mindert, und schließlich ist der Showdown - und damit das Ende - viel zu kurz und unspektakulär. Unter der eigentlich trivialen Handlung liegt jedoch, wie immer beim Autor, ein anspruchsvoller Subtext. Es geht, vorsichtig ausgedrückt, um Vereinsamung, Entwurzelung, Verzweiflung, Egoismus... und das ist drei Sterne wert.

Kurzbeschreibung There are people out there in the shadows, watching, waiting. They are the forgotten. And they're about to turn. From the international bestselling author of THE STRAW MEN. For David, it should have been the perfect day. But a chance encounter changes everything when a stranger follows him, and then passes by close enough to whisper: 'Remember me'. Soon David realises that this man wants something from him ... something very personal, that he may have no choice but to surrender. Meanwhile, John Henderson does his girlfriend a favour and agrees to talk to a friend who believes she's being stalked by an ex-lover. But the problem is more complex than anyone could imagine. There are people out there in the shadows, watching, wanting to be with you. And they'll do whatever it takes to make that happen... **Pressestimmen** An intelligent and profoundly unsettling novel (GUARDIAN) On one hand this is an absorbing thriller, on the other it provokes us to mistrust our perceptions of reality, to doubt the facts of our familiar surroundings... Engrossing and uncanny. (DAILY MAIL) Yet another engrossing thriller from an author who remains a cut above the rest, always writing from the heart, aches and all. We Are Here... and we're not going anywhere. (ALTERNATIVE MAGAZINE) Another winner from a master of his game, We Are Here is a welcome addition to Michael Marshall's growing catalogue. Part crime, part horror, part urban fantasy, it should appeal to new and old readers alike with its mixture of dark comedy, horror, mystery and abrupt violence. Fast-paced, tightly-plotted and beautifully-written, We Are Here packs thrills and chills into an intelligent story that, despite its fantastical elements, never loses its plausibility or sense of realism. (READERDAD.CO.UK) There's loads to enjoy here, and more than a handful of properly creepy moments and paranoid situations. After all, who's never had the nagging thought that someone's been through their stuff, or re-arranged their belongings, or might - just might - be in their house right now? (DISPLACEMENTACTIVITY.CO.UK) **Werbetext** There are people out there in the shadows, watching, waiting. They are the forgotten. And they're about to turn. From the international bestselling author of THE STRAW MEN.
