What a cute, hot and entertaining best-friends-to-lovers story!Von LenaRibkaWhat a cute, hot and entertaining best-friends-to-lovers

story! Larry discovered an easy and quick way to come to cash - to make a straight guy's first gay's experience porn film. All that he needed was another straight guy. And who could fit the best way for his new project if not his best friend since the middle school and his room-mate Zack? Zack was not amused. At the beginning....BUT....Larry convinced him that they needed a little practice watching each other j***k off. That was all. And suddenly Zack was finding himself torn between conflicting emotions, ranging from disgust to arousal, and he wasn't quite sure what that meant. Because while it was happening, he hadn't been disgusted at all. He'd been incredibly turned on. It was the RIGHT book at the RIGHT time pour moi!!!

Kurzbeschreibung Zack and Larry have been best friends since middle school and are now college roommates. But when Larry hears that other guys they know are getting paid to have gay sex on camera, he convinces Zack that they could pick up some quick, easy cash by being in one of these films together. If Zack thinks making a gay porn film with his best friend is disturbing, he is absolutely horrified when Larry proposes they rehearse for the film so they won't be nervous in front of the director. As they fumble their way through a checklist of sexual positions and acts, Zack finds himself seeing Larry in an entirely new light a very sexy new light, and possibly a romantic one, as well. But does Larry feel the same? Or is this all for easy money?
