KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Superspannende Unterhaltung mit GefhlVon Ein KundePrivate Investigator Allie St. James needs the case of the century to pay her bills. She doesn't need a seven year old client who claims someone's trying to kill his father. Falling victim to the child's gap-toothed smile, Allie investigates, landing her at a corrupt Florida Keys resort and into a mock marriage with the boy's uptight, hunkish father.Entrepreneur Jake Larson lost his wife in a car accident that left him with injuries ending his career as an agent for the Air Force's Office of Special Investigations. When White Sands

Resort scams his parents, Jake readily agrees to assist state police in their investigation - a chance to recapture his lost dream of days as an agent. The last thing Jake needs is a hot female private eye disrupting his case, not to mention his very peace of mind!

KurzbeschreibungEx-Intelligence officer Jake Larson was on a top-secret mission and didn't need some "wife" tagging along. But feisty P.I. Allie St. James had followed Jake to the White Sands Resort on her own investigation, giving them the perfect cover as loving newlyweds. Now Jake not only had to expose an elusive criminal, he had to keep his hands off the woman sleeping next to him, and she hadn't a clue who he really was. Allie realized inviting herself on Jake's "vacation" wasn't wise, but she couldn't miss the opportunity to infiltrate the resort and get to know the all-too-secretive businessman. Then true danger struck when they were forced to take all-too-realistic wedding vows. Suddenly they were facing the toughest opponent of their lives - their own long-hidden desires!
