Wedding Belle put you through the ringer . . .Von Holly Fuhrmann (hfur@aol.com)Okay, poor joke, but don't miss Karen Templeton's second book for Silhouette's Yours Truly because it truly is a wonderful read! Charlotte and Gabe have nothing in common, at least that's what they both think. Everyone else seems to be of a different opinion though - and this may be an instance when everyone really does know best!Karen has shown with these first two books that she's a writing force that just won't stop and after you've read her books, you'll be glad that she won't. I, for one, look

forward to many more books to come.

Kurzbeschreibung Weddings, Inc. PERPETUALLY ENGAGED It was completely illogical for blue-blooded Charlotte Westwood to be fantasizing about blue-collar Gabe Szulinski. He was all wrong for her, and besides, this was one woman who wasn't ever getting married three engagements without one husband to show for them should have had her swearing off men forever. But then Gabe insisted he'd never pop the question to anyone. And with a challenge like that, as irresistible as the man himself well, what was a born and bred Southern belle to do except hope that wedding bells were in her future? WEDDINGS, INC. Because wedding planning is a tricky business but love makes it all worthwhile!
