Von Joel Shlian, Deborah Shlian : Wednesday's Child (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wednesday's Child (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A very well written book, exciting to readVon Steve SingerThe characters were portrayed in such a way that they were life-like and sympathetic. As a physician it was easy to empathize with the protagonist (Leigh) in her problems trying to establish herself in a small town environment in which she was prejudged as being at fault for a child's unfortunate death. The ending was extremely exciting.0 von 0 Kunden fanden die folgende Rezension hilfreich. Could Not Put

This Down! Von Ein Kunde I was hooked from page 1. I found the plot gripping, the execution creative and suspenseful. I loved the characters - especially Leigh and her son Jeremy. Even Nora was interesting, albeit "dysfunctional". I was definitely entertained, but I'd say this was a step (at least) above a simple "beach book". Five stars! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wednesday's Child is Full of Thrills Von Yolanda S. Reid An exciting, can't-put-it-down read. Likable, down-to-earth characters, unpredictable plot twists and turns that keep you on the edge of your seat, and a surprising ending make this book a great choice for the holiday reader.

Kurzbeschreibung Leigh Novak left behind a faithless husband to begin a new life with her young son Jeremy - as a family doctor in a small northern California town. But Hartwood held a bitter welcome for them both and a secret only the children knew. "A haunting psychological thriller in the best-selling tradition of Mary Higgins Clark..." -- LA Times "The book is eminently readable and as fast-paced, taut and compelling a medical psychodrama as has come along in years." -- David Shobin, author of The Unborn "Wow! This is dramatic, page-turning stuff-full of creepy villains." -- George Anders, The Wall Street Journal Kurzbeschreibung Leigh Novak left behind a faithless husband to begin a new life with her young son Jeremy - as a family doctor in a small northern California town.
