short read about an angel Von SunShine7It's a nice short read of angel Mel who applies for a job at Hell. Since Mel seems to be one special kind of angel, I can't wait to go on with the second book but I'm not sure if I'll go for the whole series yet.0 von 0 Kunden fanden die folgende Rezension hilfreich. Short but certainly not sweet - mwa ha ha Von AthenaFor someone that spent 20 years in an office environment, this short novella made me smile and smirk. Ms. Carlton created a fun satire that points out many of the old standbys of an office. Don't we all feel like we are starting down a path to "hell" when we have to go interview for a new job...oh and start one, too?Great read if you need something to pass the time at the copier or reception desk that will make you laugh at the other yahoos in the office, especially the bosses!0 von 0 Kunden fanden die folgende Rezension hilfreich. Funny and Entertaining Von Winged WolfAn amusing satire with some interesting twists. Would have liked to get more of a sense of Mel's personality, though. A good opener to what looks to be a rather funny series.
