Von Phaswane Mpe : Welcome to Our Hillbrow (Picador Africa Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised Welcome to Our Hillbrow (Picador Africa Classics):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. good portrait of HillbrowVon MareikeIts a good characterization of the life in Joburg's Hillbrow. I loved reading every phrase and word and I felt being there. Although it is a bit difficult to really get INTO the book and the subject, but all in all i enjoyed reading it.0 von 0 Kunden fanden die folgende Rezension hilfreich. A contemporary way of raising

current South African issues in literature Von chwievor This book has thrilled me for its way of addressing a whole range of contemporary issues of the people of South Africa. There is the land - city divide in which the characters struggle to find their identity. There is the gap between generations, between tradition and modernity, between gender-roles and socio-economic classes. The HIV/Aids crisis, crime, urbanity, sexuality - Mpo takes us into the world of people who are torn by living in a somewhat schizophrenic but nonetheless generous society. In a brilliant way, the author manages to take us into their Hillbrow. A great read for anyone who would like to engage with South African culture through literature.

Kurzbeschreibung Welcome to Our Hillbrow is an exhilarating and disturbing ride through the chaotic and hyper-real zone of Hillbrow microcosm of all that is contradictory, alluring and painful in the South African psyche. Pressestimmen "With the publication of Welcome To Our Hillbrow, South Africa now clearly boasts an author who shows exceptional talent and promise. Saint Molakeng, Sowetan Sunday World Like a lover who knows the flaws and weaknesses of his beloved and yet is still stirred to passion and affection by her, young author Phaswane Mpe loves Hillbrow. Laurice Taitz, Sunday Times Lifestyle This is the real African soil, as it is here and now..... It's a harrowing, revealing, human read about a lost generation clawing up through the concrete of the imploded inner city under which it has been buried. And it's all ours. Welcome to your world. John Matshikiza, Mail and Guardian" Kurzbeschreibung Welcome to Our Hillbrow is an exhilarating and disturbing ride through the chaotic and hyper-real zone of Hillbrow microcosm of all that is contradictory, alluring and painful in the South African psyche.
