Eines meiner liebsten BcherVon Verena\_AbroadWelcome To Temptaion war mein zweites Buch von Jennifer Crusie - nach Fast Women - und es gefiel mir eindeutig besser. Vielleicht, weil ich mich mit der Heldin besser identifizieren konnte.Schauplatz ist - wie bei Jennifer Crusie des fteren - eine kleine, spiege Kleinstadt im Nirgendwo der USA.

Diese Idylle wird von den beiden Videofilmenden Dempsey Schwestern und ihrer dubiosen Auftraggeberin geigig durcheinander gebracht. Mit ihnen kommen Streit, Sex und Verbrechen in die Stadt. Und Sophie - die Heldin - fngt eine heie Affre mit dem netten, allein erziehenden Brgermeister an, was sie sogleich in dem Drehbuch fr das Videoprojekt verarbeitet...Das Buch ist spannend, berraschend, sexy, lustig. Fr mich das Beste von Jennifer Crusie. Und es hat - fr einen fr einen Liebesroman - einen erstaunlich komplexen Plot.Durch dieses Buch bin ich zur Musik von Dusty Springfield gekommen: Es hat mich so mitgerissen, dass ich mir auch gleich den Soundtrack" zum Buch besorgen musste.1 von 1 Kunden fanden die folgende Rezension hilfreich. I didn't want it to end!Von CatLadyTreasuresThis smart, sexy, funny tale has so many characters, it should be confusing - but it's not! The author does a great job of developing each major character. You are sure to meet someone you know in Temptation - the holier-than-thou king of "family values" who peeps on sex scenes being filmed for a movie; his dumb-as-a-stump wife who refuses to accept anything in life that doesn't jive with what she wants; the "disfunctional" family of con-artists and felons that functions better than most people's families; the overprotective, control-freak mother who can't bear the reality of her son having his own life; the small-town young woman with the "I gotta get out of here" attitude; and a host of others.This book runs the gamut of human emotions - selfishness, greed, love, fear, forgiveness, lust, hate...the sex is white-hot and the suspense is genuine. You just have no idea whodunnit until the end.One important moral threading through "Welcome To Temptation" is to go after what you want, but don't hurt anyone innocent along the way. Fortunately, there aren't too many innocents in Temptation. Nobody's perfect - in Temptation, or anywhere else.2 von 2 Kunden fanden die folgende Rezension hilfreich. Welcome to TemptationVon Ein KundeSophie and Amy Dempsey come to Temptation, Ohio, from Cincinnati, trying to break out from their wedding-video business by filming a short audition tape to flog their ex-sister-in-law's dead horse of a film career. The sisters' sensitivity to their background goes into yellow alert the moment they drive into town. The first people they run into are a stiff-necked city council member and his scatterbrained wife. Like most small towns, news blankets the area in about two minutes, and soon Temptation is abuzz with talk of the movie being shot in town.Phineas Tucker, unwilling third-generation mayor and loving, lonely single father. When his chief political rival suggests that the city pass an anti-porn ordinance, Phin knows he's in for trouble. He and the police chief visit the farm where the film is to take shape, and falls reluctantly into unrecognized love at first sight with the equally taken Sophie. While the mayor and the buttoned-up straight girl with a con's genes try to alternately fight and embrace their attraction, the town goes crazy over the movie shoot. Phin's mother, his mayoral rival, and the actress' estranged second husband all want the Dempseys and their movie out of Temptation. When one of the sprawling cast of characters dies suspiciously, it looks like Sophie's about to be betrayed by a town-boy yet again, and all bets are off.Crusie's prose is sexy and fun, and Welcome to Temptation might be a rewarding toe-dip into the pool of romantic escapism for readers who don't normally go for that kind of thing. The author doesn't flinch from writing good parts. As a result, the steam fits. Welcome to Temptation is absolutely worth-reading.

KurzbeschreibungSophie Dempsey wants to help her sister film a video and then get out of Temptation, Ohio. Mayor Phin Tucker wants to play pool with the police chief and keep things peaceful. But when Sophie and Phin meet, they both get more than they want. Gossip, blackmail, adultery, murder, vehicular abuse of a corpse, and slightly perverse but excellent sex: all hell breaks loose in Temptation as Sophie and Phin fall deeper and deeper in trouble... and in love..dePrepare to be absolutely charmed by Jennifer Crusie's riotous tale of two slightly twisted sisters and a town chock-full of hunks, coots and petty politics in Welcome to Temptation.Sophie and Amy Dempsey are just two wedding filmmakers trying to hop to the next level of their careers when they agree to produce a documentary of ageing film star Clea Whipple's return to her hometown of Temptation, Ohio. And when the local mayor, Phin Tucker, and the police chief, Wes Mazur, proffer themselves as willing subjects for quick flings, Sophie and Amy aren't the type to object. But things are never easy in rural Ohio, and what starts off as an esoteric art film project soon evolves into potential porn--and that's just the relationships, let alone the documentary. Clea's husband Zane turns belly-up, the race for mayor turns dirty and Sophie and Phin turn on the heat full steam.With hot sex, clever characters and Crusie's trademark wit, Welcome to Temptation will keep your eyes glued to the page and your stomach aching with laughter. --Nancy R.E.
