KurzbeschreibungThe quiet, confident atmosphere of Bredgar Chambers School is shattered by the discovery of the body of one of its pupils in a country churchyard. Who murdered the brilliant boy and why? How did his body get from the school to the distant churchyard? Why had he lied about his exeat destination? Inspector Thomas Lynley and his partner, Barbara Havers, find their investigations hampered by the code of honour and loyalty that prevail in the old and distinguished public school. But they discover within the confines of that privileged community a culture of cruelty that stretches back across the generations.

From Library JournalThomas Lynley (the earl turned policeman) and Sergeant Havers focus their prodigious talents on uncovering the murderer of a young boy from an exclusive independent school near London. While author George necessarily centers the plot on solving the case, she adroitly plumbs the emotional and psychological depths of fully fleshed characters coping with various forms of personal stress in addition to the murder. As in her previous work (*A Great Deliverance* ; *Payment in Blood* , LJ 7/1/89), George offers refined, feeling prose, an abiding sense of humanity, and a pervasive undercurrent of mystery. A necessary purchase, exceedingly fair and full of grace. Previewed in Prepub Alert, LJ Copyright 1990 Reed Business Information, Inc.
