Werebear RomanceVon AnaisFluent Story. Pretty Short though. Could have been longer.I found some spelling mistakes and the space between the lines couldn't be altered. Which ended in there being a huge gap between the lines. Made the reading hard.Otherwise nice Short Story

KurzbeschreibungWEREBEAR ROMANCE...Katie is a sweet, young, pretty girl, but nothing special or magical ever seems to happen to her. Until the day she meets Dean, he's part of one of the wealthiest families in the world. One day they stumble upon each other at a local coffee shop and they immediately hit it off and have some casual encounters before finally taking the plunge and having an actual first date.Everything seems to be going in the right direction for Katie and she can't wait for their big date. However, once on the date she begins too notice some strange things about Dean. Maybe he's not who she thinks he is, or maybe she's just over thinking it. Either way she is in for one heck of night that is sure to be full of surprises.This Book Contains Mature Themes 18+ OnlyKurzbeschreibungWEREBEAR ROMANCE...Katie is a sweet, young, pretty girl, but nothing special or magical ever seems to happen to her.
