THRILLING SUSPENSEFUL ROMANTIC STORY. The story focuses on; ALISA, a sexy, fiery tempered, blue-haired beauty, human and coat-check girl; HOWARD, a sultry, stop your heart gorgeous, powerful werewolf and coroner; Xavier, Curragh and Draik, potent, sexy vigilante werewolves pack mates. What you'll find in this story; a cast of awesome impressive and engaging characters, spectacular story-line, powerful vivid scene descriptions, fabulous banter, gut-wrenching moments, pent up rage, gripping suspense, action, life threatening incidents, emotions skyrocket, camaraderie, heroic deeds, horrific dangers, a surprise hero, heart-throbbing sizzling romance, and a heart warming conclusion that leaves you wanting more. Howard is the youngest in the pack, and is in need of guidance with his new found werewolf abilities. Xavier and Draik have taken on the responsibility of teaching him how to pick up scents, and how to use his new found strength. They also feel in needs to find a woman, so they take him to a club, where he meets Alisa and becomes totally smitten. Alisa is in awe over Howard, but feels he and his friends are just out for a good time; she tells them off as she is not that kind of woman. Horrific danger lurks in the shadows, and is coming for Howard. **INCREDIBLE**-fast paced well written read by a truly gifted author. The characters are certainly praise-worthy and come alive with breathtaking scene descriptions, exhilarating plot, and fantastic dialogue. I adore Howard, he is a hottie, intelligent, and though he is new to the pack he is not afraid to voice his opinion, sometimes in an arrogant fashion which drives his pack mates nuts. The romance between Alisa and Howard is steamy, and filled with undying devotion. Alisa has a lion-hearted persona and is a most valiant heroine. I relished this story, a most entertaining read. If you treasure shifter romance with danger and action this is an excellent book for your library. {I was gifted a copy of this book and this is my completely honest review}. In the world of shifter romance the possibilities are endless and always fascinating. Without reservations I highly recommend this book.
