Shannon McKinley flees her drunken and domineering father, Angus, when he arranges for her to wed with Buchanan. Shannon leaves Scotland for America and prepares to

begin a new life. She answers an advertisement for a nanny and makes a very uncomfortable ride to Texas Territory with her fingers crossed. Luke Griffin expects an older woman to answer his ad for a mail-order nanny. With his past, Luke has enough to worry about with all the hot heads that come around trying to make a name for themselves as a gunslinger. Since his wife died a few years ago, Luke has had his hands full with running the ranch. This leaves very little time for his children and he does not believe someone as frail-looking as Shannon will be up to the task either. He gives her one month to prove him wrong. Growing up in the Highlands, Shannon is much tougher than she appears. The children are stubborn and willful, but Shannon is sure that she can turn them around. Eight-year-old Molly and six-year-old Tobey simply need a bit of attention, discipline, and guidance. As everything begins to settle into place, Shannon realizes that her father has not given up chasing her. Angus has sent two clansmen to America with orders to bring Shannon home, whether she wants to come or not. However, Luke has changed his mind about Shannon, in more ways than one, and the clansmen will have to go through him if they want to reach his fiery-haired lass. ***** FIVE STARS! The story of Shannon and Luke was so much fun to read! I knew upon first meeting the character of Shannon that she was going to give the hero a run for his money and I was not disappointed. As for Luke, the way the author introduces him shows that there is more to this man than meets the eye. His past experience makes him the perfect match for Shannon. The two are a lot alike and that means you (the readers) are in for a special treat as this romantic adventure unfolds. Author Brenda Jernigan paints a vivid portrait of the early West that almost made me feel as if I were there. Romance, adventure, and some historical bits thrown into the mix make this story just too good to miss. I cannot recommend this tale highly enough! ***** Reviewed by Detra Fitch of Huntress Reviews.

Kurzbeschreibung In Brenda Jernigan's spellbinding novel, a surprise bequest offers three women a fresh start in America, new hope, and the romantic adventure of a lifetime. This is Shannon's story. Shannon McKinley flees Scotland to America hoping for a new life. She has answered an ad to be a nanny at Star Ranch in the Texas Territory. It doesn't matter that she has never been a nanny. If she can handle men...she can handle children. As Shannon tames Luke Griffin's two wild children, Luke proves a little more difficult as he still mourns his dead wife. Shannon will never accept being second best. As she begins to melt the ice from Luke's heart, can he really let the past go and take a chance on love? When a feisty Scot steps out of the stage in Cottonwood, Texas, Luke Griffin can do nothing but stare. He advertised for old and ugly, but this woman doesn't fit that description at all. And she is much too small to survive in Texas. He will send her back on the next stage. But for now, Luke will take her to the ranch and ignore the heat that runs through his veins every time she is near him. In this wild and rugged land, will Shannon's dark secret endanger the family she has come to love? Her books have been nominated for many awards - Book Sellers Best Award, The Maggie Award, and The Holt Medallion Award. Publishers Weekly said, Brenda Jernigan writes Romance, Adventure and Magic. She grew up living the life of a tomboy climbing trees, playing ball, and excluding starry-eyed romance from her daily repertoire. Brenda discovered the love of books while taking her son to Story Hour at the local library -- she was hooked. She set an ambitious goal and began work on her first novel. She continued to write six more novels in rapid succession. She figured having the same birthday as Ernest Hemingway couldn't hurt. She is a member of RWA, NINC, PAN, PASIC, and Outreach International Romance Writers. Her books have been printed in several languages and her last book Southern Seduction written under the name of Alexandria Scott was printed in Russian. Web Page - www.brendajbooks.com
