create love stories that are based on Christ being the most important relationship. The love that the characters show towards one another is exactly how we as christians should consider and love others. They truly inspire me. I have read almost all of both Tracie Petersons' and Judith Pellas' books and they are all very good.0 von 0 Kunden fanden die folgende Rezension hilfreich. Westward the Dream Von MARILYN WHITE This was a great book! I love the way Judith and Tracie write. Their books keep you going wondering what is going to happen next. I like the way God is written into their books. He is always there but doesn't answer in your time, but his. This is the 4th book in the series, I can't wait to read #5.

Kurzbeschreibung As the U.S. descends into the Civil War, photographer Brenton Baldwin travels west with his sister Jordana, taking pictures of the developing lands and in search of their sister. Along for the trip is young Caitlan O'Connor, who has just arrived from Ireland. Will they make it to California to find their family despite the danger that looms ahead? And can early romance grow into love in the face of trials and tragedy?
