The story is well written, again a good size book. Point of view is changing between Jake's and Tru which makes it (even more) interesting. Sorry there isn't a 3rd one about them two.0 von 1 Kunden fanden die folgende Rezension hilfreich. not worth readingVon Peter Schatzermostly a description of

various ways to have intercourse, otherwise not much action, at least before I gave up reading. 1 von 3 Kunden fanden die folgende Rezension hilfreich. Wow... Von -Kunde Ein super Buch wie auch schon der erste Teil :) Ich kann diese Reihe nur jedem empfehlen der auf Bad Boys bzw. Rock Stars steht.

Kurzbeschreibung Music journalist Tru Bennett has done the impossible: capture the heart of rock-star bad boy Jake Wethers. Now they're busy planning a wedding and navigating their new life together in the US. Of course Tru misses London and her best friend, Simone, but living happily ever after with Jake in LA is going to be great. **right? Wrong.** Even the bright California sun can't whitewash the dark side of celebrity coupledom. Greedy music execs, merciless paparazzi, and Jake's wild past are lurking around every corner. Making matters worse, Jake announces he doesn't want kids, which just may be a deal breaker. Tru loves Jake more than anything. But when a devastating crisis threatens to destroy everything they've fought for, the couple must face the hard truth: What if, this time, love is not enough?
