Von Maya Rodale : What a Wallflower Wants (Wallflower Trilogy) before purchasing it in order to gage whether or not it would be worth my time, and all praised What a Wallflower Wants (Wallflower Trilogy):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Easy read, sweet storyVon Miss HThe story is sweet. And Ms Rodale did a good job giving the girl a much deserved

happily ever after. The book started out great. The first page really was touching and my heart really ached for Prudence. The writing is nice, especially the first 1/3 part. The writing quality is acceptable all throughout the book. By that I mean the story flows nicely. It does jump around quite a bit so you must concentrate on where and when the characters are at any given time in the book. There are quite a few backflashes for both Prudence and John, since they both harbor secrets. Prudence having been raped by Dudley. John being actually a footman, not the nobility he claimed to be. The relationship is a very sweet one, since John reached out to Prudence and helped her overcome her fears, which are all too understandable. It is admirable how John managed it, even though I have reservations about how realistic it is. I too, am jaded and have little confidence in the male population. All that being said, the story fell flat for me as a romance story. The emotions are not as strong as they should be. The pull between principal characters are less palatable as it could have been. It is also a book that can be read in 3 hours. I skimmed through the book in many sections because those descriptions are not necessary for me to follow the story. Usually if it is a good story, I savour every word. I want to know how they were positioned in the room when they uttered some casual words. I want to know who was there with them and whether they observed something for the readers' eyes. That did not happen in this book. You can skip all the details and stick to pretty much the main plot line: A girl raped at 18 finding her prince charming, initially resisted his pursues but reluctantly accepted him, then discovered a secret about him and felt betrayed that she had to sever all ties. Hero made a huge come back by doing something drastic and the prince and the princess lived happily ever after. The book gets 3 stars from me for being an ok read. I probably would not read it again and I am also not interested in other books in the series. I do think the book had great potential, but the execution was rather mediocre. I feel this story could have been more intense though. It was almost too sweet for me. Conquering inner demons isn't sweet.

Kurzbeschreibung In the third novel in Maya Rodale's charming Wallflower series, London's Least Likely to Be Caught in a Compromising Position finds temptation in a devilishly handsome stranger . . . Miss Prudence Merryweather Payton has a secret. Everyone knows that she's the only graduate from her finishing school to remain unwed on her fourth season but no one knows why. With her romantic illusions shattered after being compromised against her will, Prudence accepts a proposal even though her betrothed is not exactly a knight in shining armor. When he cowardly pushes her out of their stagecoach to divert a highwayman, she vows never to trust another man again. John Roark, Viscount Castleton, is nobody's hero. He's a blue-eyed charmer with a mysterious past and ambitious plans for his future that do not include a wife. When he finds himself stranded at a country inn with a captivating young woman, a delicate dance of seduction ensues. He knows he should keep his distance. And he definitely shouldn't start falling in love with her. When Prudence's dark past comes back to haunt her, John must protect her even though he risks revealing his own secrets that could destroy his future.
