Von Liane Moriarty : What Alice Forgot before purchasing it in order to gage whether or not it would be worth my time, and all praised What Alice Forgot:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Guessing until the end!Von eli_gahUntil practically the very end I was getting very upset with the author about how the story was ending. But then... (almost a spoiler but not really: things did turn out). I did quite enjoy this.'What Alice Forgot' is my second Liane Moriarty book ('The Hypnotist's Love Story' was my first.) I found that both books have

their good bits and their slightly slower bits, and after finishing with both of them, I went back and read the 'good bits' of both. Backwards.3 von 3 Kunden fanden die folgende Rezension hilfreich. A delectable treat! Von CarinaThe original plot drew me to this book and I was not disappointed: Unlike Kathleen Turner in "Peggy Sue Got Married", Alice wakes up to discover that she's forgotten the last 10 years of her life. She finds out to her dismay, that instead of being happily in love and pregnant with her first child, she actually has three children and is about to get a divorce... This could have still ended up becoming yet another forgettable chick lit novel. But no, it manages to stand out through skillful use of multiple point of view and vivid characters. Not to mention the accurate description of life in the current Suburbia and children that act like real children. I also love how the author keeps us guessing till the very end. This is definitely one of my keepers.2 von 2 Kunden fanden die folgende Rezension hilfreich. schn Von girl about town Also, ich kann überhaupt nicht nachvollziehen, wie die anderen Leser dieses Buch als langweilig empfinden. Ich bin abends extra früher ins Bett, um in Ruhe weiterzulesen. Bin mittlerweile richtig schtig nach dieser Autorin.

Kurzbeschreibung What Alice Forgot is a compelling story about relationships, staying true to yourself and embracing all life has to offer, from the bestselling author of the hit HBO series Big Little Lies. Alice can't remember the last ten years of her life. She doesn't recognise her children, her husband, herself . . . Alice is twenty-nine. She adores sleep, chocolate, and her ramshackle new house. She's newly engaged to the wonderful Nick and is pregnant with her first baby. There's just one problem. All of that was ten years ago . . . Alice has slipped in a step-aerobics class, hit her head and lost a decade. Now she's a grown-up, bossy mother of three in the middle of a nasty divorce and her beloved sister Elisabeth isn't speaking to her. This is her life but not as she knows it. Clearly Alice has made some terrible mistakes. Just how much can happen in a decade? Can she ever get back to the woman she used to be? 'Gripping, thought-provoking and funny' Marie Claire 'The perfect holiday read' She 'A call to embrace life' Easy Living Pressestimmen Praise for What Alice Forgot Funny and knowing...[about] what we choose to remember, and fight to forget. O Magazine The gripping story of a woman who wakes up with a bump on her head and no knowledge of the past ten years...an acutely observed romantic comedy that is both thought-provoking and funny. Marie Claire (UK) The affecting tale of Alice's chance for a ten-year do-over. The New York Times Grabbed me on the first page a deep and wondrous novel. New York Times bestselling author Luanne Rice I loved this book. It has, for me, everything that makes a good novel excellent. New York Times bestselling author Jeanne Ray Heartfelt, witty, and thought-provoking...a story you'll remember. New York Times bestselling author Jennifer Crusie Highly addictive. She Magazine (UK; Book of the Month) I loved this original read. The Sun (UK) Funny and captivating. Closer (UK) Winning...well-paced, and thoroughly pleasurable. Publishers Weekly An often funny, sometimes heartrending, deeply personal portrait of a woman attempting to unravel her own mystery. Booklist Moriarity makes this more than just a one-note story, weaving in a plotline involving Alice's childless sister...intriguing...will keep readers guessing and curious to know more about Alice. Library Journal Pressestimmen Funny and knowing [about] what we choose to remember, and fight to forget. O magazine
