**Von Jodi Taylor : What Could Possibly Go Wrong (The Chronicles of St Mary's Series Book 6) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised What Could Possibly Go Wrong (The Chronicles of St Mary's Series Book 6) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Numbr 6 is as good as 1 to 5 were!Von IrishWaspThis is the 6th novel (there are also some short stories) in Jodi Taylor's St Mary's series. If you've never read any of them, (and are a fan of history, time-travel, suspense, adventure, drama, a bit of romance and lots of humour) go back right now and start at the beginning - "Just One Damn Thing After Another" - and come back here next week when you have devoured the first five back-to-back!!If you have already read the first five (and the short stories) you won't be disappointed by number 6! Jodi Taylor has come up trumps yet again and delights us all over again with Max and the other Madcaps of St. Mary's. No spoilers here -just go out and get the book!0 von 0 Kunden fanden die folgende Rezension hilfreich. hooked on the quirky humourVon freolove the story and the quirky humour. Cannot wait to see where the story moves to next. Past? Future? Perfect!

KurzbeschreibungWhat if the course of history was on your shoulders?To do what I do go where I go see what I see its a wonderful, unique, never-to-be-taken-for-granted privilege.With great privilege comes great responsibility, something Max knows only too well, and as newly appointed Chief Training Officer at the St Marys Institute of Historical Research, its up to her to drum this guiding principle into her five new recruits.With a training programme that includes Joan of Arc, an illegal mammoth, a duplicitous Father of History, a bombed rat, Stone Age hunters and Dick the Turd, the question everyone is asking themselves is what could possibly go wrong?PressestimmenPraise for Jodi Taylor and The Chronicles of St. Marys SeriesA carnival ride through laughter and tears with a bit of time travel thrown in for spice . . . readers will be impatient for later installments.Publishers Weekly, starred reviewTaylor does a great job of setting up an appealing cast of characters in this new series opener, most especially the intrepid Max. There is plenty of humor, lots of action, and even a touch of romance.Library JournalTaylor has written a madcap and very funny hodgepodge of a novel whose pacing and humor is reminiscent of a Simon PeggEdgar Wright film.BooklistDanger, romance, history, financial and academic politics, hidden agendas, dangerous assignments, characters you care about, and the feeling that more is going on than you're actually reading about. I can hardly wait for book two. Just One Damned Thing After Another is a true page-turner.SFRevuJust One Damned Thing After Another is a novel that wastes no time getting to the good stuff . . . if character-driven stories are your cup of tea, then youll find plenty to like. Max is hilarious, and I love her spirited and crafty nature.The BibliosanctumWhat a mess. A glorious, glorious mess. Let no one ever say that Just One Damned Thing After Another is a book that fails to live up to its title . . . . These books are so perfectly bingeable.BN Sci-fi BlogMax is a thoroughly hilarious and confident narrator and the sense of real danger, interspersed with copious amounts of tea, pervades the story. This is the kind of book that you walk away from believing in time travel.Manhattan Book If youre a fan of time travel, or if youre a fan of madcap British comedies, or better yet if youre a fan of both, then youll want to check out The Chronicles of St. Marys.Adventures FantasticThe book cant be put down, and I loved every minute. Seven books in the series have been published in Great Britain and this first book is now being published in the U.S. I look forward to reading them all.YA Lit RamblingsThe writing was witty and fun, and kept making me smile page after page. . . . Max is a brilliant character, the kind of character you root for, faults and all.All Things Urban FantasyJodi Taylor doesnt do things the conventional way.Catherine Scott, Yorkshire Post
