Von J. M. (James Matthew) Barrie : What Every Woman Knows (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised What Every Woman Knows (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. A treasure of theatre! Von Queen Horatius Sir James Matthew Barrie is one of the best known playwrights, and in my opinion one of the most talented playwrights of all time. Do not mistake him for a Shakespeare, but for those who cannot get through Sir William they might turn to Sir James. Sir James pulls together much of the thought of his time, as well as some old fashioned principles (deeply hidden, but available for those who look). Sir James is a veteran of

the theatre, and, "What Every Woman Knows," proves his excellence even in a "small-scale" setting.

Synopsis J M Barrie was a Scottish novelist and dramatist best known for creating the character Peter Pan. Barrie was made a Baronet in 1913 for his literary accomplishments. Peter Pan first appeared in a serial called The Little White Bird in 1901. What Every Woman Knows is a comedy in four acts. The story centers on a clever woman who finally makes her humorless Scottish husband realize that his political success is due entirely to her wit and intelligence.
