Craves (Domination and Submission Romance) (My Alpha Billionaire) Von Lily M. "What He Craves (Domination and Submission Romance)" by Tawny Taylor is the third book in the "Dark Shades of Pleasure" Series. Bristol is still reluctant to completely trust Shane and still new to the world of domination and submission. She's afraid that their relationship will either make her better or destroy her. In this part, you learn more about the main character's past lives, their past love interests...which also brings to jealousy...It's an erotic and sweet read. I really enjoyed reading this installment as well and I hope there will be another part, because I'd love to see what happens next.

Kurzbeschreibung Domineering billionaire Shane Trant has Bristol Deatrich right where he wants her--back in his life and back in his bed. But Bristol is still reluctant to completely trust him. Their new relationship has been rocky from the start, and she's still very new to the world of erotic domination and submission. She's afraid a little rope burn is nothing compared to the pain she may suffer at his hands. This powerful thing between them will either make her better, stronger, or destroy her. And now, making matters worse, outside forces are trying to pull them apart... (Please note: this is part three of the My Alpha Billionaire series. The series is best enjoyed if read in order) LENGTH: 15,000 words Novella BONUS CONTENT: Read an excerpt of Tawnys recent release, AT HIS MERCY, and the sequel to Darkest Fire, DARKEST DESIRE, available now.
