Wants (Domination Submission Romance BDSM) (My Alpha Billionaire) Von Lily M. "What He Wants (Domination and Submission Romance BDSM)" by Tawny Taylor is the first book in the "Dark Shades of Pleasure" Series. It's a erotic, funny, and sweet read. I really enjoyed reading it. We're introduced to the characters Bristol Deatrich and the billionaire Shane Trant. They see each other for the first time in over ten years. Shane, who was Bristol's mom old friend, decides to buy the family house. Bristol is relieved about it and she agrees with her friend Jill to celebrate the occasion, but Shane shows up and instead of having a great time with her friend, Bristol decides to have dinner with the billionaire. Shane shows Bristol his world and the reason why he's not the right man for her. Despite Bristol is confused and in complete shock about the new revelation, she is still drawn to him. After the "kinky" night at Shane's house, Bristol avoids him until he confronts her and.....if you want to know more about it then go pick it up. Like I said, I enjoyed reading this and I'm looking forward to the next part "What He Demands (Dark Shades of Pleasure Series)". 0 von 0 Kunden fanden die folgende Rezension hilfreich. Das war mein erstes und letztes Buch aus dieser Serie. Von Lena Ribka. Hatte das Buch die Größe eines Romans, hätte ich vielleicht mehr Sterne gegeben. Mich stört nicht die Tatsache, dass viele Autoren versuchen, "Fifty Shades of Grey" auf ihre Weise zu umschreiben - man muss nicht das Rad neu erfinden - mich stört die Oberflächigkeit, mit der viele an die Sache herangehen. Das Buch hätte wirklich Potenzial, wenn alle diese Hüpchen mehr Tiefe und mehr Länge aufgebracht hätten. Weil der Schreibstil von Tawny Taylor ist nicht schlecht, flüssig und lebendig. Warum hat sie sich für diesen Weg entschieden? Um schneller aufs Geld zu kommen? Echt schade! Diese 46 Seiten haben mir gefallen, aber nicht wieder so sehr, dass ich mich für diese endlose Serie, je 46-50 Seitenlänge, verfahren lasse.

Kurzbeschreibung *Price reduced for a limited time! *Her introduction to the dark shades of pleasure... Billionaire Shane Trant is used to getting what he wants. What he can't buy, he takes. When he sees Bristol Deatrich for the first time in over ten years, he knows he wants her. But there's a problem. Only complete possession of her mind and body will satisfy him. He's not sure the sweet little Bristol is ready for his brand of extreme carnal play. But that's not going to stop him from trying. After all, he learned a long time ago, nobody wins if they don't take risks. If this risk pays off, they'll both win.
