could be a five Stars book Von Kindle-Kunde This could have Five stars, would it have been a Full Story. It seemed so emotional with a loveing Hero and heroine.

Kurzbeschreibung It's Christmas, the first Zane and Dakota spend together. As they navigate the tricky waters of new feelings and old fears, they will find out what they want most. \*Warning: this book contains a whole lot of graphic sex. Mature readers only. Not intended for young readers. \*Author note: This is a very short story taking place after the events in ZANE. I am publishing it here due to popular demand. Enjoy!
