Von Rebecca Donovan : What If (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised What If (English Edition):

Kurzbeschreibung A new novel by the USA Today and Wall Street Journal bestselling author of The Breathing Series . . . What if you had a second chance to meet someone for the first time? Cal Logan is shocked to see Nicole Bentley sitting across from him at a coffee shop thousands of miles from their hometown. After all, no one has seen or heard from her since they graduated over a year ago. Except this girl isn't Nicole. She looks exactly like Cal's shy childhood crush, but her name is Nyelle Preston and she has no idea who he is. This girl is impulsive and daring, her passion for life infectious. The complete opposite of Nicole. Cal finds himself utterly fascinated-and falling hard. But Nyelle is also extremely secretive. And the closer he comes to finding out what she's hiding, the less he wants to know. When the secrets from the past and present collide, one thing becomes clear: Nothing is what it seems. NEW BONUS epilogue, author interview, book club guide and more. Pressestimmen "Often times you read books and love them but rarely do you read a book that touches your soul. If you're looking for a story that will keep you guessing and has characters you will fall in love with...WHAT IF is the book for you!" Autumn "This book was just beautiful and heartbreaking. I fell in love with Cal and needed to know everything I could about Nyelle. This is a beautiful story about second chances, and how you can make the most of them."
