zwischen durch Von Kindle-Kunde. Schöne Schreibweise, gute Story - wenn auch etwas vorhersehbar. Das Gefühlschaos von Elle wird gut beschrieben und man mag die Figur, auch wenn nicht alle Handlungen von ihr nachvollziehbar sind. Normalerweise strit mich die Ich-Erzhlform in Bchern nicht, aber bei diesem Buch fand ich es manchmal zu objektiv und sachlich, so dass z.B. die Gefhle von Ryan oft nicht deutlich genug rberkamen. Das Ende ging mir auch zu schnell und zu reibungslos. Trotzdem kann ich das Buch jedem Romance-Liebhaber empfehlen :-)

Kurzbeschreibung Meet Elle Coppola, an unwilling single girl living in a definitively married world. During the day she's just another disgruntled corporate slave, but her nights consist of distraction and loneliness. That is until she meets Jay Conrad: a sexy but devious new love interest, who fills her in a way she's never known before. But when her desire for him reaches inordinate heights, she can't help but wonder if he's just another diversion. A formerly awkward teenager, the now grown-up Elle finds it difficult to grasp that she's already embodied her ideal self: an attractive, ambitious, and talented woman. With a milestone birthday fast approaching, her subtle craving for life satisfaction has morphed into a mad race with time; one that she's undeniably losing. Will Jay prove to be a perfect remedy to Elle's frustrations, or will someone else step in and serve as the missing piece to her puzzle? Do you love chick lit and romance stories? Check out What Love Looks like, a juicy and heartwarming new romance novel for 2013. Available as a free romance book when borrowed through Kindle. A new adult contemporary romance that you don't want to miss! Warning: Contains some adult content.
