KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. witzig, unterhaltsam, sVon jinxedIch habe dieses buch gekauft, nachdem ich die Verfilmung gesehen hab, die ich wirklich mochte, hatte also gewisse Erwartungen. Obwohl Buch und Film sich ziemlich stark unterscheiden, war das Buch trotzdem wahnsinnig unterhaltsam und lustig. Zum Teil musste ich bei Delilahs Reise und ihren merkwrdigen Ex-

Lovern wirklich laut lachen, hatte also definitiv meinen Spa. Ein schnes Stck "chick-lit", das immer unterhlt, ohne dabei kitschig zu sein. 0 von 0 Kunden fanden die folgende Rezension hilfreich. 20 Times a Lady Von bcherwurm Schnelle Lieferung gnstiger Preis von Inhalt sehr gut. Ist einfach witzig cool und super geschrieben. Dieses Buch sollte man unbedingt gelesen haben. Zum verschenken geeignet. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Super Von JKO Amsante Geschichte! Auch ohne perfekte Englischkenntnisse sehr einfach zu lesen. Schn um ein Schlechtwetter-Wochenende zu berbrcken und gleichzeitig den englischen Wortschatz zu fillen.

Kurzbeschreibung How many men does it take to find true love? When Delilah Darling reads a survey revealing that most people have 10.5 sexual partners in their lifetime, she begins to feel like a tramp. Shes slept with nineteen men so far almost twice the national average. During a self-help moment, she vows to cap her number at twenty, swearing shell save her last spot for the right guy. But after losing her job and having a wild night on the town, she falls into bed with Mr. Wrong. Unwilling to up her number, but also unable to imagine a life of celibacy, Delilah does the only thing a girl in her situation can do: she tracks down every man shes ever slept with in a last-ditch effort to make it work with one of them. A hilarious romp through Delilahs past loves, Whats Your Number? shines a spotlight on every womans dirty little secret and proves that, when it comes to matters of the heart, sometimes numbers tell only a fraction of the story. From Publishers Weekly Bosnak, the woman behind the popular "Save Karyn" Web site (she also penned a book by the same title), makes her fiction debut with the tepid tale of Delilah Darling, a woman on the cusp of 30 who loses her job and sleeps with her heinous former boss in an entanglement that's the 20th notch on her headboard. It's a painful realization, as she'd just read in the New York Post, that the average person has 10.5 partners in their lifetime. Fearing she has more than reached her quota, Delilah takes off on a cross-country trip, determined to find "the one" among the 20 of her former lovers. But she soon discovers that the men of her romantic past "an inmate, a rehab patient, a dog-obsessed Amway salesman and a Muppeteer among them" aren't exactly life-partner material. Clever chapter breaks that feature maps and voice-mail transcripts are fun additions, but the story "hobbled by limp humor, razor-thin characters and phoned-in prose" takes too long to find its inevitably happy ending. (July) Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved. From Booklist Don't hate yourself in the morning for reading this book and liking it. It's as irresistible as a pint of Ben Jerry's and goes down as easily. Free spirit Delilah hates herself after she wakes up with inappropriate man number 20 the day after she's been laid off from her job. Since this number is the limit Delilah has set for herself before getting married, she has the expected loopy single-gal freak-out and goes on an extended journey to track down every badly chosen man she's ever slept with and determine if she didn't make a mistake tossing one of them back into the dating pool. Astute readers will spot Mr. Right immediately--a Colin Farrell look-alike who tracks down Delilah's old boyfriends and is charmed by her quest. Fans of chick lit will recognize the overbearing mother, the quirky pet, the misguided ideas about love and relationships, and the laugh-out-loud encounters with old flames that end in hilarious flameouts. The lively pace and outlandish story will keep readers hooked, but don't skip the footnotes. Kaite Mediatore Copyright American Library Association. All rights reserved
