Von Lynsay Sands : What She Wants before purchasing it in order to gage whether or not it would be worth my time, and all praised What She Wants:

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. Lynsay's most delightful book yet!Von Deborah MacgillivrayLynsay Sands is proving book after book she is a writer to be

watched with deft, crafts and natural voice, she weaves a medieval tale that captures the reader from the very start. As she did in *The Deed*, *The Key* and *Always*, she conjures characters that will live in your heart long after the book is put down. Hugh is the new 5th Earl of Hillcrest, the Earldom coming through to him upon his uncle's death. The only provision he must meet is his uncle's request he marry Willa. Hugh presumed the girl who lives in the cottage with the local witch, to be the illegitimate daughter of his uncle and he insults his uncle who tried to force such a match. And, being typically male, he insults Willa by informing he has no wish to marry the illegitimate daughter of his uncle. To his horror, he later learns he does not have to marry Willa if she does not want, and he will still be Earl of Hillcrest - just all the money goes with Willa. No marriage, no money to run the vast estate. Hugh has none of his own, since his father lost their family fortune a decade earlier, so in order to keep Hillcrest he must marry Willa. But then, Hugh is finding that option less repugnant as time passes, for Willa is a beautiful young woman with a heart of gold. Hugh must quickly earn her hand in marriage in order to save all. This task is complicated by the predictions of the witch, who tells Willa if she does not hold out until Hugh crawls on his belly to her, though they wed, Hugh will be murdered within a month. She holds out and thinks all will be well, but the witch warns there are many evil forces at work that could see either of them dead. Hugh at first scoffs at this, but soon learns there is a very real threat to Willa's life. The witch has warned he must unravel the riddle of who Willa really is before an old enemy could strike to destroy them both. This book is another tour de force for Lynsay Sands, showing a stronger side in the story line than in previous works. Oh, the trademark laugh out loud humour is there - with such wonderfully witty results, showing Lynsay's skill with story teller just grows better and better. I think this is her best book to date... I look forward to the *Contemporary Loving Daylight* next April and all the other wonderful books to come. WISE Readers and Writers Book of the Month September 2002

Kurzbeschreibung You can't help but fall in love with Lynsay Sands! Christina Dodd
Lynsay Sands knows what romance readers want: love stories that are thrilling, sexy, and fun whether they concern the amorous affairs of English lords and ladies of the Regency ton, the lairds and lasses of the Scottish Highlands, or the more contemporary vampires of the Argeneau family. In the incomparable Lynsay's historical romance classic, *What She Wants*, a Scottish knight finds himself at wit's end trying to figure out how to win the heart of the fair, if equally hard-headed, lass he is determined to marry. Everyone who enjoys the novels of Julie Garwood and Jill Barnett will be delighted to discover *What She Wants* and will be enchanted by Lynsay Sands's humor, passion, and storytelling magic.

Buchrückseite A formidable Scottish knight used to getting his way, Earl Hugh Dulonget of Hillcrest has gotten himself into a bind. His uncle's will clearly states that Hugh must marry yet he has just insulted his would-be bride by calling her a peasant! Now he must do whatever it takes to win back the fair Willa. . . . Everyone has advice, it seems. His comrades-in-arms believe gifts and baubles will earn her love. The old witch who was her guardian wants Hugh to crawl back to Willa on his belly. And his castle priest suggests he read *De Secretis Mulierum*, a book on the secrets of women. But Hugh knows only one sure way to overcome her reluctance: he must convince Willa that this passion and devotion are not only what she needs, but what she wants more than anything else in the world.
