beschriebenen inneren Kämpfe der weiblichen Hauptperson.

Kurzbeschreibung: Shhit's a secret! Special ops expert Trig Sinclair is a man's man, and that means he knows the cardinal rule of the bro code: no matter how dynamite Lena West is, as his best friend's younger sister, she's strictly off-limits! But when a secret mission to Istanbul sees Lena and Trig pretending to be married (and sharing a bed!), he finds himself in a whole new world of sweet torture. But if Trig thinks playing the honor-bound hero is tough, it's got nothing on how Lena feels when she discovers what her "groom" is really hiding.

ber den Autor und weitere Mitwirkende: Kelly Hunter has always had a weakness for fairytales, fantasy worlds, and losing herself in a good book. She is married with two children, avoids cooking and cleaning, and despite the best efforts of her family, is no sports fan! Kelly is however, a keen gardener and has a fondness for roses. Kelly was born in Australia and has travelled extensively. Although she enjoys living and working in different parts of the world, she still calls Australia home.
