Ein Autor, der aufhorchen ltVon dieleseratzMark Edwards berzeugte mich schon mit dem als erstes verffentlichten Roman "The Magpies". "What you wish for" ist ein lteres Werk, das jetzt erst nach einer grndlichen bearbeitung publiziert wurde. Auch dieser Roman, der total anders ist, kann wieder berzeugen und fesseln.Unser Held, ein Fotograf, verliebt sich in ein unkonventionelles Mdchen, das fest an Ufos und Auerirdische glaubt und obskure Freunde hat. Pltzlich

verschwindet sie und er begibt sich auf die Suche nach ihr, denn er kann und will sie nicht vergessen. Hat die Ufo-Sekte damit zu tun - oder sogar Außerirdische? Denn man wartet darauf, durch "die Besucher" abgeholt zu werden... Von Anfang an zieht diese originelle Geschichte in den Bann, mit dem sympathischen Helden hoffen und bangen, ob es zu einem Happy End kommt. Wer "The Magpies" gelesen hat, weiß, dass der Autor gerne ungewöhnliche Wendungen liefert - und auch gerne noch auf den letzten Seiten überrascht... Trotz des ungewöhnlichen Themas eine durchaus spannende, glaubhafte Geschichte mit "Menschen wie Du und ich", der Autor wurde durch "X-Files" inspiriert, wie er im Nachwort schrieb. Fazit: Unterhaltsam, spannend, originell - was will man mehr? 0 von 0 Kunden fanden die folgende Rezension hilfreich. MehVon Jacky from Germany I don't know why I bought this book, because I wasn't over-impressed with the other book by Mark Edwards I had read. It takes you to a world that is difficult to understand, and the characters are rather superficially described. Obviously he had the story rather than the characters in mind when he set out to write this. And if you need to explain why you ended the book the way you did (see Epilogue) then you're doing something wrong. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend! ExcitingVon Linda Stoppa This is a well written book, exciting all the way through, would recommend it to anyone in a relationship. Shows what not to do.

Kurzbeschreibung Marie Walker has vanished from the face of the earth... Her besotted boyfriend, newspaper photographer Richard Thompson, vows to find her, convinced that Marie's unusual beliefs hold the key. But a shocking discovery makes him question if he ever really knew his girlfriend. And when people around him start to die, Richard is plunged into terrible danger. Drawn into the world of a sinister cult and the darkest corners of the Internet, Richard finds himself increasingly out of his depth as he discovers just how far people will go to protect what they believe in... He loves stories in which scary things happen to ordinary people and is inspired by writers such as Stephen King, Ira Levin, Ruth Rendell, Ian McEwan, Val McDermid, and Donna Tartt. Mark is now a full time writer. Before that, he once picked broad beans, answered complaint calls for a rail company, taught English in Japan, and worked as a marketing director. Mark co-published a series of crime novels with Louise Voss. The Magpies, his first solo, topped the UK Kindle charts for three months when it first released. Since its success, the novel has been re-edited and published by Thomas Mercer. He lives in England with his girlfriend, their three children, and a ginger cat.
