Von Ben Boswell : Whatever It Takes (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Whatever It Takes (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Hot thriller Von Greta What a story. Ben Boswell writes great erotica. But this story about an ordinary couple ending up in the most chaotic live scenery of her hooker sister is something else. They overcome their fears and boundaries to

solve the life threatening Problems. They do whatever it takes and make the best of it. Very entertaining, very sexy.

Kurzbeschreibung Daniel and Kris are as white bread as they come. Together since junior high, they have two kids, a house in the suburbs, and no excitements in their lives. Things change when Kris' little sister Jessi moves in. Jessi is everything Kris isn't, reckless, promiscuous, and mixed up with very bad people. As their two orbits intersect, Daniel and Kris get dragged into Jessi's world of drug dealers, strip clubs, and prostitution. Can they survive the dangers? And even if they do, will their marriage? Fueled by their love for each other, and drawing on a strength and resourcefulness they never realized they had, Daniel and Kris are desperate to recover their old lives. To do so, they will do whatever it takes!
