Kurzbeschreibung Cake maker and single mom Claudia Bradley thinks she has life all figured out until her best friend Nate starts looking like a mouth-watering dessert and her son's father comes strolling back into the picture as if he'd never left ten years ago. Throw in a case of preteen angst and a family with lots of well-meant advice, and, well, she's whipping up a recipe for chaos! Nate West has always been there for Claudia, a basic ingredient in her life, but suddenly she is flirting outrageously with him when she's never looked that way at him before despite his dreams. With her ex-lover back in town, Nate isn't about to renege on his years-old promise to always be the friend Claudia needs, but does she want more? She's as tempting as butter cream frosting with sprinkles, and he's mighty tempted. This is a new release of a previously published edition.

ber den Autor Misty Simon loves a good story and decided one day that she would try her hand at it. Eventually she got it right. There's nothing better in the world than making someone laugh, and she hopes everyone at least snickers in the right places when reading her books. She lives with her husband, daughter and three insane dogs in Central Pennsylvania where she is hard at work on her next novel or three. She loves to hear from readers so drop her a line at misty@mistysimon.com
