Christmas story Von Susan Williams-Goebber 1066. I would have loved to have read about William, but this is a Christmas story. One we all know but with a St Mary twist. It's a lovely short story for cold winter nights. Can't wait for book 3.

Kurzbeschreibung A Chronicles of St Mary's short story. It's Christmas Day 1066 and a team from St Mary's is going to witness the coronation of William the Conqueror. Or so they think. However, History seems to have different plans for them and when Max finds herself delivering a child in a peasant's hut, she can't help wondering what History is up to.
