Once you get into the book, when Elizabeth and Wynn start their new life in the North it is easy to just get caught up in it and hard to put down! The Indian characters are very interesting. The author also focuses on God and Elizabeth's spirituality. It is very good for the soul and the

heart! Overall it was a very interesting and good book. I can't wait to read the next two books in the series!

Following their wedding Wynn and Elizabeth Delaney head north to Wynn's posting with the Royal North West Mounted Police in Beaver Creek. The change is not easy for Elizabeth, a school teacher from Toronto, but your heart will be warmed by her faith in God and her commitment to her husband even through the tough times. You will become entwined in her life as she steps out of her comfort zone to make friends with the Indians and show God's love to the people of the community. Janette Oke has done a superb job of portraying history in a way that will have you virtually living it!

Another one of her grand old books. However I do believe the audio version of this book has about the sweetest voices I've ever had the pleasure of listening to. Just wish the theme song to Dudley Doright wouldn't have entered my head everytime she mentioned Canadian Mounted Police. Hope you all do better, because it's well worth it.

Can their love for each other sustain them through a harsh winter, loneliness, and rigors of life without any of the conveniences they're used to? Book 2 of the bestselling Canadian West series.
