Von John Nicholl : **When Evil Calls Your Name: A dark psychological thriller packed with suspense (Dr David Galbraith Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised When Evil Calls Your Name: A dark psychological thriller packed with suspense (Dr David Galbraith Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.
Amazing readVon Philomena(Cheekypee)Make sure you read book one White is the Coldest Colour before reading this book.This is Cynthia, Dr Galbraiths wifes story. We read this as she writes from prison. Her past is told in the form of a diary. We also get to hear of life inside the prison walls.I absolutely loved book one so I was really looking forward to reading Cynthia's story. So many questions running through my head about Cynthia have been answered in this book.Ive got to admit I'm not keen on reading a second book with the view from a different character. To be honest I usually ignore those books. However I needed to know Cynthia's story. The author also wrote this in a way that it was in no way a repeat of the story told in White is the Coldest Colour. I'm very happy that I read this book. All the jigsaw puzzles came together and I loved it.Great praise to John the author. I'm looking forward to reading more from him.1 von 1 Kunden fanden die folgende Rezension hilfreich. A great follow up to White is the Coldest Colour that intrigues and keeps you turning the pages.Von Mark TilburyAfter having read White is the Coldest Colour I was keen to read this. When I started it I did wonder what was happening and where the story was going to go.You find something out about Cynthia at the beginning and it shocked me. I couldn't understand how she was in the situation she was, but that is what kept me reading, I wanted to find out more about her. It's written from Cynthia's point of view and at times can seem a bit disjointed. When you think about what she has been through and her current situation in this book, then it's not surprising.As the book continues you find out about Cynthia's childhood and life events, her opinions of the world and how she views herself. She looks inside herself and quite literally pours it all out on paper.John Nicholl has done a great job with this book. Written in a different style to White is the Coldest Colour he has managed to get inside Cynthia's head and allow readers to get to know her better. Due to John having worked with Social Services it makes you realise that he would have met women in Cynthia's position and this is a reality for some, not a piece of fiction.A great follow up to White is the Coldest Colour that intrigues and keeps you turning the pages.1 von 2 Kunden fanden die folgende Rezension hilfreich. Enttaschend!Von David Alexander FordeDie erste Geschichte war wesentlich besser. Diese bietet so wenig im Gegensatz zu der anderen Geschichte an.Der Inhalt dieses Buches war fast eine Wiederholung von dem Ersten. Es fehlte viel zu viel Information. Wenn ich das erste Buch nicht gelesen htte, htte ich kaum eine Ahnung gehabt, um was es ging. Schade!

KurzbeschreibungIf you like psychological suspense thrillers, this is as good as it gets.' Frank Scozzari - Bestselling author. Even the darkest secrets cant stay hidden foreverWhen twenty-nine-year-old Cynthia Galbraith struggles to come to terms with her traumatic past and the realities of prison life, a prison counsellor persuades her to write a personal journal exploring the events that led to a life sentence for murder.Although unconvinced at first, Cynthia finally decides she has all the time in the world and very little, if anything, to lose. She begins writing and holds back nothing: sharing the thoughts she hadn't dare vocalise, the things that keep her awake at night and haunt her waking hours. What people are saying about When Evil Calls Your Name (Dr David Galbraith Book 2)'intense, page turning and thought provoking. Stunningly brilliant and captivating. A stand alone book or a sequel, whichever you prefer. Misfits Farm'A jaw dropping 5 stars. Impressive.' Cal's Blog 'Its writing such as this that makes me love to read..' Lit World Magazine Brilliantly written! An intense, thought provoking read. Janelle Kahele - Bestselling authorA beautifully written book that really spoke to me. Renita DSilva - Bestselling authorJohn Nicholl has done it again A Must read! Eugenie Laverne Mitchell - Bestselling author'A great follow up to White is the Coldest Colour that intrigues and keeps you turning the pages.' Mark Tilbury - Bestselling authorBrilliantly written. Little Bookness LaneI was completely absorbed into the story from the first sentence. Northern CrimeThought-provoking, dark, and completely magnetic reading.Tome Tender Book Blog 'A superbly written thriller.' Louise Mullins - Bestselling authorKurzbeschreibungIf you like psychological suspense thrillers, this is as good as it gets.' Frank Scozzari - Bestselling author.
