Freundinnen bereiten sich gemeinsam auf die Geburt eines Kindes vor, das eine von ihnen ohne Kindsvater aufziehen will. Es ist ein optimistisches Buch, das sicherlich gut besonders bei jungen Frauen ankommt.1 von 1 Kunden fanden die folgende Rezension hilfreich. me timeVon Kim

Schultgood summer read nothing to heavy just right to relax and enjoy some romantic me time while forgetting reality :)0 von 0 Kunden fanden die folgende Rezension hilfreich. funny and entertaining Von Claudy KSI enjoyed reading this book, as the characters are well described and even the problems have a little funny twist. Also the group of girlfriends was very supportive despite their differences, so the title fits :)

KurzbeschreibungA novel about love and support, and learning that with enduring friendships, no woman is ever alone. Robin Sinclair is young, determined, and has a promising career at a small publishing house in Seattle. Even though she considers herself unlucky in love, Robin still dreams of eventually meeting Mr. Right and having a happily-ever-after kind of life. And at twenty-five, the world of opportunity is wide. But its been a difficult year filled with trialsand its only just begun. While long-time friendships are finally on the mend, and things are starting to look up again, Robin is faced with her biggest challenge yet. Shes single and pregnant. Uncertain now of her future and scared of being alone, Robin must re-examine her life and choices, and summon the courage to step up. With the love and support of her best girlfriends from college, especially her best friend and roommate, Lara, Robin will learn that when the going gets tough, the best of friends become family. And, perhaps, with their encouragement, Robin can mature and gain the confidence needed to become a single mother. And, who knows about being unlucky in love. Things are suddenly getting interesting with Robins attractive co-worker, Bobby. This is an endearing story about maturity and perseverance. Its a story about friends coming together as family, about finding the strength within and around, and about writing your own happily-ever-after. About what happens when girlfriends step up. While this Chick Lit is Book #2 in the When Girlfriends collection, it can be read as a stand-alone.
