Von Nora Ephron : When Harry Met Sally. . . before purchasing it in order to gage whether or not it would be worth my time, and all praised When Harry Met Sally. . .:

Kurzbeschreibung Rob Reiner's enormously funny and moving *When Harry Met Sally ...* -- a romantic comedy about the difficult, frustrating, awful, funny search for happiness in an American city, where the primary emotion is unrequited love -- is delighting audiences everywhere. Now, the complete screenplay is published. Written by Nora Ephron -- author of screenplays for *Silkwood* and *Heartburn* (from her own best-selling novel) -- *When Harry Met Sally...* is as hilarious on the page as it is on the screen. The book includes an introduction by the author. From the Trade Paperback edition.

Pressestimmen "A winner, a lavishly romantic lark, brimming over with style, intelligence and flashing wit." -- Peter Travers, *Rolling Stone* "[When Harry Met Sally ...] will go down as the classic of 1989. One of the most endearing, enjoyable films ever -- I couldn't recommend it more highly." -- Marilyn Beck "A comic valentine to love..." -- *Time* "A buoyant comedy! It contains what may be the year's single most uproarious scene." -- Gene Shalit, *Today*, NBC-TV "Deliciously funny ... You'll love it. I dare you to resist it." -- Judith Crist
