Schartner"When I'm gone" ist eine behrende Geschichte, deren Inhalt ich hier nicht zusammenfassen mchte, den soll schon jeder fr sich selbst herausfinden...Einerseits wollte ich beim Lesen unbedingt wissen, wie es ausgeht, andererseits wollte ich, dass die Geschichte nicht endet. So eine Ambivalenz kenne ich beim

Lesen eigentlich nicht von mir. Absolute Kaufempfehlung - toll geschrieben, mit überraschenden Wendungen. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Deep Von Susie Njika A story of legacy, love, family, betrayal and forgiveness, Emily Bleeker's "When I'm Gone" is wholesome in its portrayal of a family with imperfections that tries to forge ahead guided by love and memory of good times. Life other family sagas like "Disciples of Fortune", "The Godfather", the underlying strength of a strong family bond helps the characters through their low moments. 0 von 5 Kunden fanden die folgende Rezension hilfreich. **bermittlungsfehler** Von Uwe Stibbe Ich habe dieses Buch am 31.01.2016 gekauft. Es taucht auch in meiner Kaufliste auf. Jedoch nicht in der Kindleliste. Es wurde auch nicht an meinen Kindle vermittelt. Wenn ich das Buch neu kaufen will erhalte ich den Hinweis, dass ich es ja schon gekauft habe. Eine Hilfefunktionen bei habe ich nicht gefunden, deshalb dieser Weg. Ich hoffe eine Bereinigung ist damit möglich. In dieser Sache fühle ich mich von nicht gut betreut.

Kurzbeschreibung An Charts and Wall Street Journal bestseller. Dear Luke, First let me say I love you I didn't want to leave you Luke Richardson has returned home after burying Natalie, his beloved wife of sixteen years, ready to face the hard job of raising their three children alone. But there's something he's not prepared for a blue envelope with his name scrawled across the front in Natalie's handwriting, waiting for him on the floor of their suburban Michigan home. The letter inside, written on the first day of Natalie's cancer treatment a year ago, turns out to be the first of many. Luke is convinced they're genuine, but who is delivering them? As his obsession with the letters grows, Luke uncovers long-buried secrets that make him question everything he knew about his wife and their family. But the revelations also point the way toward a future where love goes on in written words, in memories, and in the promises it's never too late to keep. **Kurzbeschreibung** An Charts and Wall Street Journal bestseller. After surviving a battle with a rare form of cancer, she finally found the courage to share her stories, starting with her debut novel, Wreckage. A fully recovered secret writer, Emily now spends her days wrangling four kids while planning out plotlines and writing about the people in her head. She currently lives with her family in suburban Chicago. Connect with her or request a Skype visit with your book club at www.emilybleeker.com.
