Von Marian Tee : When I Moan: Russian Stepbrother Romance (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised When I Moan: Russian Stepbrother Romance (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Es war gut!Von Erani KoleDie Autor hat mir en ARC gegeben. Ich werde jetzt ein rezenion fur die ARC schreiben.Ich kann nur ein bisschen Deutsch sprechen, aber ich muss sagen: Ich liebe es! 'When I Moan' war sehr interessant, sexy und

traurig. Seri und Vassi sind kompliziert. Sie lieben einander, aber die Welt ist nicht so nett. Die Welt ist grausam. Judgmental. Seine lieben für Seri war stark (?), und trotz der Probleme, 'landen sie zusammen auf'. Meine ich, das Seri und Vassi sind froh... schlussendlich (?). Ich empfehle es!

Kurzbeschreibung
When I smile, I think about how lucky I am, to have the three hottest guys in town doting on me. When I scowl, I think about how unlucky I am, to have three crazy protective Russians as stepbrothers. When I cry, I tell myself I'll never do anything to jeopardize what we have. But oh, when I moan I tell myself it's just for work. When I moan, no one should know I can only feel this beautiful, terrible need to touch and be touched by secretly fantasizing about him---Vassi. The gorgeous Russian celebrity every girl wants to own---And the one man I'm forbidden to even want because he's the stepbrother I've fallen in love with. So I just moan, knowing that one day he'll fall for another girl and then I'll have to close my eyes, hoping that my moans can mask my tears.
