saw this one. It caught my eye basically cos of the word 'Rome' on the cover (I looove Rome;-) )Once I started reading I couldn't stop. It's such a funny book and it made me laugh a lot!There is Georgie Beauchamps who is torn between her bf David and her ex Mike who she 'coincidentally' meets again. A trip to Rome with him gets 'interesting' when Davis happens to be in town, too.....So if you are looking for some funny and entertaining chick-lit-book and like the Kinsella/Cabot style: get this one!!

KurzbeschreibungWhen in Rome, do as Audrey Hepburn would do. Failing that, run off with your ex-boyfriend, carry suspicious packages through customs, and lie to the person who loves you. . . .Georgie Beauchamp is totally happy and in love with her wonderful, dependable boyfriend, David. So why does she always daydream about running into her gorgeous ex-boyfriend Mike? It cant mean shes still in love with himespecially since the cad dumped her so horribly. As luck would have it, when Georgies daydream actually comes true, she is dressed in unglamorous sweats and carrying a curtain rod down the street, while Mike is driving an expensive sports car and looking better than Brad Pitt at the Oscars. She longs to have the glamorous life Mike can offerand starts to think that he might want her back in his arms.But when he invites her for a weekend in Rome, Georgie is torn. David has always said hed take her there for the romantic getaway of a lifetime, but his work keeps him totally tied up. So she must choose: David, all comfort and reliability, or Mike, all flirtation and butterfly-stomachs. The decision isnt too hard to make, and faster than she can say Vespa, shes off to Rome with Mike, full of plans to frolic on the Spanish Steps and sip wine in intimate trattorias. But when David shows up unexpectedly, this roman holiday gets a hell of a lot more complicated. . . .From the Trade Paperback edition.From BooklistGeorgie is convinced life is perfect with her dependable accountant boyfriend, David, until her last boyfriend, the aimless (but devilishly sexy) cad, Mike, reenters it. Mike is now the owner of a swanky BMW and his own record company, and his flirty e-mails and champagne lunches have Georgie's head spinning and David's blood boiling. David's workaholic tendencies have Georgie agreeing to a weekend away with Mike. But the romantic Roman holiday turns sour when Mike is too busy in business meetings and has no time for fun. And then David surprises Georgie in Rome outside the Sistine Chapel. He gives her the Audrey Hepburn treatment, scooting her off to an Italian restaurant on a Vespa. Neither man will tell Georgie exactly why he is in Rome, and each takes numerous mysterious phone calls, meets with glamorous women, and dodges shady gangsters. Once back in London, she finds herself embroiled in suspect mergers and makeshift spy-girl antics. A slow start is more than made up for with endearing characters, a madcap plot, and a rewarding finish. Kaite MediatoreCopyright American Library Association.
