**Von Barbara Boswell : When Lightning Strikes Twice** before purchasing it in order to gage whether or not it would be worth my time, and all praised When Lightning Strikes Twice:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I thought

this book was better written. Von Ein Kunde I have read a short romance or two from her and found it less tantalizing than this romance. The characters are solid. they do not fuss over other people's opinions like some books do. they decided they like each other and move from there. While there is a little come hither it does not wreck the book. This author has a better framework than say the recent romances by Catherine Coulter but not nearly as good as the old Brenda Joyce. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful! Von Ein Kunde "When Lightning Strikes Twice" is the first book that I have read by Barbara Boswell, it was a wonderful romantic story and I'm looking forward to reading another by this author.

Two! That's what you'll find in Barbara Boswell's spicy, sassy contemporary romance, *When Lightning Strikes Twice*. Two New Jersey law firms are in direct competition for the same clients, and because the families who work for both have been entangled for years, mum's the word--if only everyone involved can master the art of keeping secrets. A junior partner in her family's practice, Rachel Saxon is known for her composure, that is, until Quint Cormack joins his father's firm and systematically begins to steal clients from the Saxons. Quint and Rachel have an undeniable attraction to one another that would ignite if only they could stop arguing in and out of court. But that's only half of the love equation in *When Lightning Strikes Twice*. The other Saxon junior partner, Wade, is desperately attracted to his best friend's sister, Dana Sheely, but he can't recognize his own attraction. Wade, Dana, Rachel, and Quint will have to make their way through the maze of secrets to sort it all out. **Kurzbeschreibung** Returning to his small town roots to rescue his father's ailing law practice, Quinton Cormack has conquered the frosty Rachel Saxon in a courtroom encounter.
