Ms. Harris' characters have depth and have really evolved over the length of the series. here we see more of how Hero and Sebastian deal with their marriage and how they will live their lives together. Both have difficult choices to make and in this story they make decision that they regret having to make and others where they regret the results afterwards. I don't want to give too much away. Another thing that I like about these books is that they show a balanced view of life in England at this time. If you reddy the run of the mill Regencies, you get the idea that everyone ran around in lovely gowns and went to balls all the time and then found their perfect match who may have a few character flaws, but they re either resolved or turn out to be a misunderstanding. Not so with these books. Yes, you see life as the well-off lead it, Sebastian and Hero do come from the upper crust, but they also know they are privileged and that life can also be very harsh. ms. Harris also shows the seamier side of society and what the middle and lower classes had to endure. But the books are still very enjoyable, the serious observations give a context to the lives of the main characters and events happening around them. I am looking forward to the next installment. My only quibble is that the books are relatively expensive, even for the Kindle version. With the paper books, you can sell them and recoup some of your investment, not so with Kindle books. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Was passiert als nchstes? Von BBrueggi Ja, das frage ich mich zum Ende jeden Buches aus dieser Reihe. Abgesehen von der zeitgeschichtlichen Schilderung und der Auflsung eines Verbrechens bezieht dieser Band viel Spannung aus der Entwicklung der Beziehung zwischen Sebastian St. Cyr und Hero Jarvis. Auch weitere Hinweise zu Sebastians Vergangenheit und Herkunft machen die Angelegenheit weiter interessant. Lesenswert! 1 von 1 Kunden fanden die folgende Rezension hilfreich. go on writing!! Von Conny K. Great seventh sequel with an interesting plot and a lot of historical details and facts. The relationship between Hero and Sebastian develops. Unfortunately I already finished it and have to wait for the next one.
