**Von Lisa Bingham : When Night Draws Near** before purchasing it in order to gage whether or not it would be worth my time, and all praised When Night Draws Near:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Joy From Start to FinishVon Ein KundeLongtime American Romance author Lisa Bingham delivers her first Intrigue with "When Night Draws Near." There's not a baby, a cowboy, or a amnesia victim in sight, just 248 pages of emotion, romance, and taut, page-turning suspense. Press that "Buy Now" button immediately--they don't get more "must read" than this.The last thing Elizabeth Boothe expected to find when she caught a last-minute flight was her ex-husband piloting the plane. Before she could even begin to absorb the shock, the plane crashed, trapping her, Seth, and a ragtag group of passengers in the Rocky Mountains. If she thought things couldn't get worse, she was wrong--a killer has targeted the group. And now her life's in as much risk as her heart.Interested yet? That's only the setup for a story that

sets off on a brisk pace and doesn't let up for a moment. With a wonderfully fresh premise and warm characters, Lisa Bingham could not have delivered a more successful first *Intrigue*. Most remarkable, she delivers at least one twist that completely caught me off guard. A master of red herrings, she uses ones that may not be new, but which are employed in ways that completely fool you. An *Intrigue* from a few years back used one of the exact same red herrings, and the book was ruined because it could not have been more obvious. Here, it works. Best of all, it's just one of numerous surprises Ms. Bingham provides from start to finish in a book where nothing is what it seems to be. Anyone who wants to revel in lost-love found and sizzling action won't want to miss out on this one. And innovation-starved *Intrigue* readers can only hope Bingham will make an encore appearance sometime soon.

Kurzbeschreibung AND THEN THERE WERE TWO#133. A handful of survivors, a killer among them and two former lovers caught in the cross fire#133. Elizabeth Boothe was grateful to be alive after the wreckage of her ill-fated flight. But even as she and pilot Seth Brody waited for a rescue plane, neither could deny what was happening between them. Their past differences melted away as easily as the snow beneath their heated bodies. Yet their rediscovered passion could not protect them from danger. There was a killer on the loose, and no way off the mountain. But Seth had found Elizabeth again and no one, not even a murderer, was going to take her away from him.
