**Von Chris Brookmyre : When The Devil Drives (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised When The Devil Drives (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Better than the first! Von FrauGI love Brookmyre although I prefer his humorous offerings to his attempts at crime. I was very disappointed with Where the Bodies are Buried and bought When the Devil Drives without realizing that is this is

the sequel. I was very pleasantly surprised to find myself enjoying this and it's redeemed my faith in Chris.

**Kurzbeschreibung** Is the devil merely the name we give the worst in ourselves? When private investigator Jasmine Sharp is hired to find Tessa Garrion, a young woman who has vanished without trace, it becomes increasingly clear that there are those who want her to stay that way. What begins as a simple search awakens a malevolence that has lain dormant for three decades, putting Jasmine in the crosshairs of those who would stop at nothing to keep their secrets buried. Uncovering a hidden history of sex, drugs, ritualism and murder, Jasmine realises she may need a little help from dark places herself if she's going to get to the truth. But then needs must...  
**Pressestimmen** Praise for Where the Bodies are Buried: 'Brookmyre is just as excellent at the gritty, serious end of the genre as he was dispensing manic humour - A huge welcome to the new Brookmyre on the block' THE TIMES 'As sharply observed and mordantly funny as ever - There are plenty of back-doubles and plot twists in this fast-paced read' GUARDIAN  
**Werbetext** The much anticipated follow up to Where the Bodies are Buried - the hugely successful new crime series from Chris Brookmyre
