Krnender Abschluss der Gardella-ReiheVon TillaIch will ber den Inhalt gar nicht so viel verraten, nur das es ein wrdiges Ende der Reihe ist. Es passiert noch so einiges, womit man nicht im geringsten htte rechnen knnen.Schade das der dt Verleger so lange fr die dt bersetzungen braucht, es scheint sich bei der Reihe sowieso eher um einen Geheimtipp zu handeln, dabei fand ich die Mischung aus Buffymanier im Jane-Austen-Flair und -Zeit sehr lustig zu lesen. Ich hoffe, dass auch die anderen Reihen der Autorin es mal ins deutsche schaffen, wre schade drum, wenn es den Leuten, die es nicht gerne auf engl lesen wollen/knnen deshalb verwehrt bliebe.

KurzbeschreibungThe fourth volume in award-winning, New York Timesbestselling author Colleen Gleason's International Bestselling Gardella Vampire Hunter Series."Buffy the Vampire Slayer meets Jane Austen. The Book Standard...Enough dark, angsty touches that I was utterly wrung out by the end. It is also so good I couldn't wait to get online to see when the next in the series will come out. All About RomanceGleasons publishing debutturns vampire storiesand romanceson their ear. Detroit Free PressAfter narrowly escaping from Rome, Lady Victoria Gardella returns to London, where not even sunrise can stop a vampire's carnage...Ruining Victoria's homecoming, a vampire stalks the streets of London--during the daylight. Not only is Victoria unable to detect the vampire with her heightened senses, but she's being framed as the prime suspect behind the killings.Meanwhile, her heart is still divided between the enigmatic Sebastian Vioget and her fellow slayer Max Pesaro. The battle is made even more difficult by the legacy of a vampire's touch--a vampire who left in Victoria's veins boiling blood that forces her fight evil on two fronts: against the new breed of undead threatening London...and against the darkness within herself."A series that is unique, sexy, and definitely very intense." --Romance Reader at HeartThis is a five-book series about Victoria Gardella, Vampire Hunter. The series should be read in order to avoid spoilers. The series is:The Rest Falls AwayRises the NightThe Bleeding DuskWhen Twilight BurnsAs Shadows FadeAll five books are now available.From Publishers WeeklyGleason's weak fourth Gardella Vampire novel (after 2008's The Bleeding Dusk) focuses on romance to the detriment of action. After being bitten by master vampire Beauregard, vampire hunter Victoria Gardella Grantworth faces an uncertain fate. As the vampire blood in her system fights against her natural goodness, she becomes more selfish and cruel. Soon local law enforcement is blaming her for mysterious daytime vampire attacks. She's also torn (as before) between two men: Sebastian, Beauregard's descendant, who has now embraced his role as a vampire-hunting Venator, and former Venator Max, who gave up his powers to break the hold of vampire queen Lilith. The passionate love triangle can't quite carry the story, which lacks a strong plot and has no real sense of danger or tension. Readers more interested in Victoria's vampire hunting skills than in her romances will miss the excitement of earlier books. (Aug.)
