Von A.L. Jackson : When We Collide (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised When We Collide (English Edition):

KurzbeschreibungFrom New York Times Bestselling Author A.L. Jackson comes a gripping new tale of loss and love.

William has spent six years running from his past and the last eight months trying to rid his mind of the dreams that increasingly haunt his nights. Trapped in a world of false ambitions and feigned affections, William knows he's reached a breaking point and something's going to give. Maggie had lived her entire life without hope until one man showed her what it meant to be loved. He'd been her light in a lifetime of darkness. Six years ago, that darkness stole him away. Without him, she's surrendered herself to an existence she doesn't know how to escape. When the family William left behind is struck by tragedy, he is called back to the one place he's sworn to never return to again. In a moment that will change his life forever, William comes face to face with the girl who, with one look, captured his heart. He is unable to ignore the buried desires and the hope for the future they'd once believed they'd have. Now William is ready to fight to take back what had been stolen from him six years before. But he never imagined what that fight might cost him. A.L. Jackson gives you an intimate look into the lives of a family bound by an unseen connection in this new contemporary romance. "There are some love stories that will take you on such intensely emotional journeys, shake you to the very core of your being, make you scream, cry, curse, throw things against walls, but also fill you with more hope than you ever thought possible THIS is one of those books. This is the second novel by A.L. Jackson that I have read and I am ready to build this woman a shrine." Natasha is a Book Junkie
